

SMC Undergraduate Research Colloquium 2025

March 6 to 7, 2025 at the John M. Kelly Library

Submit a proposal to share your research!

Are you enthusiastic about a research topic? Present it at the **2025 SMC Undergraduate Research Colloquium!** Open to all undergraduate students at St. Michael's College and those in the four St. Mike's programs.

Awards for the best posters and presentations are up for grabs and all selected students will receive a Certificate of Participation. **Submit today!**

Criteria

Research in any discipline.
Previous coursework,
independent study,
or personal interest.

Why Participate?

Get experience sharing your research with a community of scholars while developing your resume or CV!

Format Options

1. **Academic Poster:** Visual overview of research with informal discussion
2. **Conference-style Presentation:** A 10-minute session with slides.
3. **Review Committee's Choice:** Not sure what's best? We can help guide you.

Need Help Preparing?

A **series of workshops** will be held in February for students who have submitted proposals to help them prepare their posters or presentations!

Get expert advice!

How do I Submit?

Use the QR code to submit a 300-word write-up outlining your research and why you want to share it with others.
